The Administration has issued a major disaster declaration for the regions impacted by the Northern California fires, ordering federal aid to supplement state and local recovery efforts to areas, which has displaced many families and destroyed thousands of homes.

The Federal Emergency Management Agency (FEMA) is the primary federal agency tasked with helping individuals, businesses, and public entities recover after a disaster. All individuals impacted by the fires should register through FEMA at www.disasterassistance.gov.

FEMA individual assistance allows homeowners to qualify for grant money and services to people in the declared disaster area whose property has been damaged or destroyed and whose losses are underinsured or not covered by insurance.

●●● HOW TO APPLY FOR FEMA DISASTER ASSISTANCE ●●●

All individuals who were impacted by the Northern California fires should apply for FEMA assistance. Please call 1-800-621-FEMA (3362), go online at www.DisasterAssistance.gov or visit a Local Assistance Center as soon as possible.

●●● FAQs ABOUT FEMA ASSISTANCE ●●●

All individuals who were impacted by the Northern California fires should apply for FEMA assistance. Please call 1-800-621-FEMA (3362), go online at www.DisasterAssistance.gov or visit a Local Assistance Center as soon as possible.

Do I have to register with FEMA to get help? Yes, with very few exceptions, if you want federal assistance you must register with FEMA, either by telephone (1-800-621-FEMA (3362)), online (www.DisasterAssistance.gov) or at a Local Assistance Center. You will need your FEMA registration number for future reference.

What is the difference between FEMA and the SBA? FEMA coordinates the Federal Government's role in preparing for, preventing, mitigating the effects of, responding to, and recovering from all domestic disasters. SBA, on the other hand, is the Federal Government's primary source of money for the long-term rebuilding of disaster-damaged private property. SBA helps homeowners, renters, businesses, and non-profit organizations repair or replace real estate, personal property, machinery and equipment, inventory, and business assets that have been damaged or destroyed in a declared disaster. These disaster loans cover uninsured and uncompensated losses and do not duplicate benefits of other agencies or organizations. For information about SBA programs, applicants may call 1-800-659-2955 (TTY 1-800-877-8339).

Where can I find updated information from FEMA? For a three-step Disaster Assistance Process and recent news on disaster response and recovery, please visit <http://www.fema.gov/apply-assistance>. If you are looking for the nearest Disaster Recovery Center, go to <http://www.fema.gov/disaster-recovery-centers>.

••• TAX RELIEF & IRS ASSISTANCE •••

Following recent disaster declarations for individual assistance issued by the Federal Emergency Management Agency (FEMA), the IRS announced that affected taxpayers impacted by the fire will be eligible for tax relief.

The declaration permits the IRS to postpone certain deadlines for taxpayers who reside or have a business in the disaster area. Filing deadlines for certain individual and business taxes have been extended to January 31, 2018. Call the IRS disaster hotline at 866-562-5227 for more information on which filings qualify.

If an affected taxpayer receives a penalty notice from the IRS, the taxpayer should call the telephone number on the notice to have the IRS abate any interest and any late filing or late payment penalties that would otherwise apply. Penalties or interest will be abated only for taxpayers who have an original or extended filing, payment or deposit due date, including an extended filing or payment due date, that falls within the postponement period.

The IRS automatically identifies taxpayers located in the covered disaster area and applies automatic filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area must call the IRS disaster hotline at 866-562-5227 to request this tax relief.

In addition, TTB will consider waiving late filing, payment, or deposit penalties on a case-by-case basis for wineries and other businesses whose operations were affected by the fires. To qualify for such a waiver, a taxpayer must:

- Demonstrate, to the satisfaction of the appropriate TTB officer, that the fires directly affected your ability to timely file, pay, or deposit; and
- Contact the TTB National Revenue Center (NRC) at:
550 Main Street, Suite 8002
Cincinnati, OH 45202-5215
Toll-free: 877-882-3277
Online Inquiry: [TTB's National Revenue Center Contact Form](#)

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either this year or last year. Claiming the loss on an original or amended return for last year will get the taxpayer an earlier refund, but waiting to claim the loss on this year's return could result in a greater tax saving, depending on other income factors.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684](#) and its [instructions](#).

Affected taxpayers claiming the disaster loss on last year's return should put the Disaster Designation "California, Wildfires" at the top of the form so that the IRS can expedite the processing of the refund.

Other Relief

The IRS will waive the usual fees and expedite requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation in red ink at the top of [Form 4506](#), Request for Copy of Tax Return, or [Form 4506-T](#), Request for Transcript of Tax Return, as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case.

Taxpayers may download forms and publications from the official IRS website, irs.gov, or order them by calling 800-829-3676. The IRS toll-free number for general tax questions is 800-829-1040.
